

Durham School of the Arts Career Fair

The NCSU Cohort
Spring Semester 2020

Goal of the 2020 DSA Career Fair

“The Career Fair is an important component of the **Superintendent's 3-2-1 Work-based Learning Framework** initiative to promote career awareness, career exposure and career experience in all high schools. This year, our main focus is providing **career awareness** to all 9th grade students.”- Ms. Sylvia Bittle - Career Technical Education, Career Development Coordinator

Logistics of the Career Fair

- The fair was held in the Middle School Gym on January 24 from 9:35-12:30
- Each group was assigned a table and three chairs (some groups also needed access to an outlet)
- Breakfast items were set up in the gym for guests
- Teachers were assigned a specific time to bring their students to the fair

The NCSU Cohort

- Fellows helped check in guests at the front table
- Fellows helped coordinate the placement of tables and chairs
- Fellows supported Ms. Bittle in completing administrative paperwork that documented group participation
- Fellows helped clean and organize the middle school gym at the conclusion of the fair
